

# QUALITY POLICY

**MAZ MEDICAL** is committed to meet all the requirements of all the defined interested parts and apply all relevant legislation on the distribution of medical devices.

**MAZ MEDICAL** is committed to continuously improving the Quality Management System by implementing a procedure for establishing and reviewing the Quality Objectives , which are in any case:

- Growth through increased human resources
- Providing optimal solutions to customer needs
- Immediacy in the design and implementation of projects
- Developing a flexible and reliable suppliers network
- Maximizing customer satisfaction

These are achieved through:

- The implementation of Quality Management System in accordance with the requirements of ELOT EN ISO 9001: 2015 and ELOT EN ISO 13485: 2016
- The definition of Quality Objectives in its operations in order to enhance the satisfaction of interested parts
- The assignment of responsibilities and responsibilities
- Controlling the Quality Management System services and processes.
- The creation of a technologically modern and professionally suitable working environment.
- The Administration's commitment to provide all the necessary resources to improve the Quality Management System

Quality Policy is reviewed for its continued suitability and is intended to be understandable at all levels of organization.
